July 18, 2016

July 18, 2016 - PRESSADVANTAGE -

Pearl Distributors look set to offer the biggest discounts ever on their jewelry with the big Freshwater Pearl Necklace clearance sale which is scheduled to take place during the month of July. This pearl jewelry sale is expected to be one of the most exciting events of the summer in the online jewelry market.

When Pearl jewelry is the topic, Pearl Distributors need no introduction. Having a foothold in the United States, Canada, and Europe, Pearl Distributors are one of the most established providers of Pearl jewelry across the globe. Needless to say, when it comes to offering the best Pearl jewelry at the most exceptional rates, the company stands out from the rest. This is mostly due to the fact that the company possesses one of the largest selections of Pearl Jewelry sold on the World Wide Web.

Miriam Reed, the owner of Pearl Distributors, recently revealed her company's plans for a clearance sale in July. "I've been talking with our supplier and doing a deal to use up their excess stock of certain items," stated Reed. She further added, "We're going to put on a big Freshwater Pearl Necklace clearance sale and

can definitely promise some of the biggest discounts ever. There are a number of different types of pearl necklaces on sale.

According to Miriam, Pearl Distributors are getting ready for new stock, which is why they are considering selling off some of the stock they still have left in their selection. The great news for customers is that this stock is going to be sold considerably cheaper. Let's not forget that this is the same high quality fine pearl jewelry that Pearl Distributors are so renowned for offering.

Sale prices are expected to be between 20% and 40% off of the company's already discounted prices. Miriam is confident that these are the "best prices [the customers] will get this year." In fact, according to her, "Now is the perfect time to stock up on gifts for later in the year. These savings are definitely worth hundreds of dollars."

The stock that is available for clearance sale mostly consists of classic white freshwater pearl necklaces. Apart from these, a few pink and lavender ones are also included. As stated, the sale is only here for the month of July (or until stock lasts). It's also important to note that the sales items are limited in quantity. Therefore, it is definitely recommended for all jewelry lovers to check out the clearance sale over at Pearl Distributors.
