## **Santa Rosa Beach Babysitting Service Launches Facebook Page**

*July 29, 2016*

July 29, 2016 - PRESSADVANTAGE -

Coastal Kids Babysitting Services, LLC, which is based in Santa Rosa Beach, FL, is very happy to announce that they have launched a new Facebook page to highlight their services. The page enables their clients to contact them, learn about news, and generally join in conversations. People are encouraged to like them on their page at [www.facebook.com/coastalkidsbabysitting](http://www.facebook.com/coastalkidsbabysitting).

Becky Andrews Garea from Coastal Kids Babysitting Services, LLC says: "We are the most trusted babysitting services on the Emerald Coast. We come right to the doorstep of our clients providing games, arts & crafts, and we always find a babysitter that matches their needs so that they know their children are safe at all times. To create a more personal relationship with our clients, we have launched our Facebook page, encouraging open conversations."

While having only recently been launched, the Facebook page has already attracted over a 100 likes. This indicates that many people have been interested in finding out more about what the babysitting service can offer. The said social media page is also used to share information on pertinent pieces of news. For instance, they have dedicated a section to the new Pokemon Go craze, sharing information released by the City of

Miami Police Department on how to remain safe while playing the game.

The Facebook page has also already been used by those who have tried the babysitting service to tell others about their experiences. "Our family had the most wonderful experience with Becky," says Christi G. on the social media page. "She was responsive, prompt and warm. My kids adored her. She came to our house prepared with activities and fun, but mostly her gregarious personality was what captured their attention. We have already recommended her service to several friends, and will call her every time we return to 30A."

People in need of a babysitting service in the Destin, Sandestin, and the 30A, Watercolor, Alys & Rosemary Beaches area are encouraged to contact the company at any time to make arrangements. They are also asked to like and share the new Facebook page, to further spread awareness of their service.
