Care Me has worked with As Seen on TV.pro by Kevin Harrington, who is the original Shark Tank featured on the popular TV show "Shark Tank", to advertise its electric callus remover. Care Me's 1st TV commercial advertisement has been aired on 20+ local TV channels of major cities, including New York, Los Angeles, and its hometown, Atlanta, as well as on one national channel-Oxygen. These local channels are A&E, AMC, Bravo, E!, Hallmark Channel, HGTV, Lifetime, OWN, Oxygen & WEtv and more. The electronic foot file is also endorsed by Kevin Harrington as "the secret to smooth and soft feet".

A representative from Care Me says: "Many people have coarse, cracked, and callused feet and don't know how to treat them, but are very embarrassed by how they look. We specialize in manicure and pedicure tools, and we want to empower people to show off their feet with confidence and pride. We offer a number of fantastic products to help people achieve this and we're so happy to be working together with Kevin Harrington to show these products to the world."

As part of their campaign, the Care Me products have been featured in 30 and 60 second spots sets. They have been created through the partnership of editors, videographers, writers, and producers, as well as a

team of veterans who have helped identify the Care Me products as some of the most innovative and cutting edge in the world.

For those who want to know which are available on Amazon, they can easily find out in this shopping site. Care Me specializes in beauty and healthcare products. Its products contain full line of premium pedicure and manicure tools, and their slogan is "Go barefoot." This model CM-202 is available in three colors and designs for men and women.

The company's flagship product, which is now featured on AsSeenonTV.pro, is a powerful electric callus shaver. It is cordless and is used by professional pedicurists to achieve soft, healthy feet. In fact, the product delivers spa like results and is already proving to be incredibly popular. Since its launch on Amazon, it has received consistent positive reviews, and the number of reviews has increased exponentially since the partnership with AsSeenonTV.pro has started, creating increased exposure across the country.
