OmniPharma recently launched a new product on the number one shopping portal Amazon. The product called Novella Revive Footguard is indicated as a foot repair cream for dry and cracked feet. The foot repair cream is sold with special offers to entice customers and enhance their buying experience.

This has been a long awaited launch for the company OmniPharma. Prior to selling on the online portal Amazon, the product was sold in local markets and received with stellar reviews and results. With this in mind, the company wanted to launch to a bigger marketplace and Amazon was a great fit.

A spokesperson from OmniPharma stated, "Our Novella Revive Foot Care Cream contains a quad action formula that assists in maintaining the skin's moisture. It is comprised of mOmega3 that works to seal-in moisture in the outermost layers of the skin. Additionally it is sold at a very affordable price to allow different customers to benefit from the unique formulation."

The spokesperson further went on to remark that, "the foot repair cream contains a patented formula that effectively relieves the symptoms of dry and cracked feet. It works well to soften and condition the skin with a supreme hydrating formula."

The formula contains mOmega3 with quad action formula helps to maintain the skin's moisture seal-in function and restores the health of the intercellular filling material. Novella Revive is a patented formula that effectively relieves the symptoms of very dry and cracked feet, as well as the diabetic foot by increasing the permeability of the cracked or calloused skin. This allows for intense hydration and penetration of the other effective ingredients to soften and condition the skin.

In fact, one of the company's first reviews of the product highlighted the benefits and customer satisfaction. "I have a vit D deficiency and diabetes and always struggle with dry cracking callous. I used this cream just twice and my feet are soft and callous is manageable. I'm very impressed. I would definitely recommend this cream. And it has a pleasant scent and doesn't stay greasy. 5 stars!" Jeannie Cooper, a happy customer.

The Novella Revive Foot Care Cream is made available to online shoppers on the Amazon marketplace for a very competitive price.
