August 23, 2016 - PRESSADVANTAGE -

Affordable Tree Care, a business in Farmers Branch, TX, is a company that concerns itself with the type of maintenance that is required by trees, aiming to create a better world in an affordable way. The company points out that they are ready to serve all of those who are living within a 25 mile radius from Farmers Branch. More details about their various services are available on their website at Mytreeservicedallas.com.

Harry from Affordable Tree Care says: "What we try to do is make our world better. This is because trees are absolutely vital to the survival of our planet, fighting pollution and creating healthy, breathable air. We want to make sure that people all over the world can continue to enjoy trees, without the trees becoming a nuisance, and without costing a lot. To achieve this, we offer a range of different services, including stump grinding, tree removal, and tree trimming."

The company prides itself on delivering cost effective, experienced, and honest tree care services in the Farmers Branch area. They have solutions in place for both trees and shrubs, with their professionals being experts in trimming, saving, or safely removing any type of growth, regardless of age or size. They also have arborists available on staff that are consulted on the needs of specific shrubs and bushes.

Every member of the Affordable Tree Care team is an artist, sculpting and shaping trees and shrubs so that they look the best they possibly can. The work that the company does has been designed to increase the aesthetic value of any property, be that residential or commercial. In so doing, they are also able to add value to the property.

Those who have worked with the company have been full of praise about the services they have received. "Affordable Tree Care was very knowledgeable, prompt, and friendly," says Diane C. on Facebook. "I will highly recommend them to all of my neighbors, friends and family. The work they did on my trees made them healthier, safe and beautiful. Thank you Affordable Tree Care."

Those interested are encouraged to contact the company for further information or visit their website.
