

Younique to Release New Moodstruck Lip and Eyeshadow Products

September 01, 2016

September 01, 2016 - PRESSADVANTAGE -

Younique, LLC, a Lehi, Utah based cosmetics and skin care product company, has announced the release of their newest products. The new Moodstruck lip and eyeshadow products will be available beginning October 1, 2016. A spokesperson for the company says, "We're excited to be launching these stunning colors and shades. We have many new Moodstruck products available."

The products include two new Moodstruck Addiction shadow palettes. The palettes include seven crease-resistant, fade-resistant, long-wearing, buildable colors. According to Younique, their new palettes are formulated without gluten, parabens, latex, PABA, or BPA. The company spokesperson states that the palettes are perfect for creating "expertly coordinated shades with ultra-smooth matte, pearl, and high shimmer finishes."

Also included in the new product launch are the company's Moodstruck Precision pencil lip liners, which will be available in five new colors. These shades are Prudent, which is a light nude; Punchy, a bubblegum pink color; Popular, which is red coral; Peachy which is bright coral; and Plush, which is a faded mauve shade. The matte pencils are created with a formula of jojoba oil, cottonseed oil, and vitamins C and E. The

company states that the new pencils will provide smudge-proof and water-resistant coverage.

The final new product that will be included in the launch is the Moodstruck lip exfoliator. According to Younique, the exfoliator contains real sugar to buff away dry skin cells and help create younger looking skin. It is created with shea butter for moisture and designed to smooth and polish lips.

The company states that these new Moodstruck products are set to become very popular and urge those who want to learn more about the company and products to visit them on their official website. Younique offers a wide range of cosmetics and skin care products for women of all ages. The company states that they always strive to provide the finest quality of cosmetics, ensuring that they contain no harsh chemicals. More about their commitment to quality cosmetics can also be seen on their website.
