

Younique To Launch New Splash Liquid Lipsticks

September 01, 2016

September 01, 2016 - PRESSADVANTAGE -

Younique, LLC, a company based in Lehi, UT, is proud to announce that they have developed a brand new product. The new Splash Liquid Lipsticks will be available starting October 1, 2016. There will be ten new colors that customers can choose from.

A representative from Younique, LLC. says: "Let your lips do the talking with ten liquid lipstick colors that range from fresh orchid to true crimson to daring navy. These rich lipsticks will leave you feeling brave, bold, and hydrated all day long. We're truly excited about this new product launch and we just know our customers are going to love it."

The ten newly available colors and shades will be Stoic - Rusty Brown, Smashing - Ocean Coral, Sizzling - True Crimson, Stubborn - Cherry Red, Soulful - Nude Pink, Sentimental - Fresh Orchid, Spontaneous - Dark Berry, Sensual - Deep Maroon, Spellbound - Midnight Purple, and Superstitious - Daring Navy. The colors have been designed to be vibrant, bold, and powerful, allowing people to truly make a splash.

The lipstick will come with a special precision tip applicator to allow for easy application. It is made from a hybrid mousse texture, which glides on with ease for smooth application. The Bio-Gel complex seals in hydration with a moisturizing combination of vitamins C and E. It also has light diffusing properties and is

made from a wax-free formula, which allows lines to be filled without flaking, cracking, or peeling. People are encouraged to try all the new Splash Liquid lipstick colors, enabling them to find the one that is right for them.

"We have worked very hard on creating the boldest, bravest colors for our new lipstick range, and we guarantee you that there is a shade out there for everybody," adds the Yunique, LLC representative. "We encourage everyone to be bold and daring and pick something that really stands out from the crowd. Simply try them all, you may love them all as well."

Those who are interested can contact the company for more information.
