Pensacola, Fla. ? Prosperous I.M., Inc. a leading digital marketing agency for SEO in Pensacola, FL, has just recently honored employee of the month Jarred Brown with the Pursuit of Excellence award.

Brown, who joined the Prosperous team back in August of 2016, has been a joy to have in the office. As a search engine marketing and website strategist, Jarred works on developing websites for clients, inevitably expanding their online presence.

?Jarred, more than anyone this month, deserved this award,? Prosperous I.M. Owner Eddie Hill said. ?He?s shown dedication, drive, and determination in his work. All things come with being a Pursuit of Excellence award recipient.?

Brown is a native of Rhode Island and it?s clear that his up-north, hardworking mentality is prevalent in the workplace. Each day he comes in with a can-do attitude and is always strategizing ways to make his clients happier people. Brown knows his job like the back of his hand, so rarely does he run into an issue that he can?t fix when providing search engine optimization in Pensacola, FL.

With a bachelor's degree in economics from the University of West Florida, Brown is destined to do great things. He even plans on taking his education to the next level by pursuing a master's degree in computer programming in the near future. When he's not being superman in the office, Brown can be found playing his long time favorite sport, soccer, with friends.

It's going to be sad to see Jarred leave, but he's moving on to the next step in his career and we couldn't be more proud of him," Hill said. "I want to thank him personally for what he's done for this business. I know that he will be very successful in the future."
