## Leading Homewear Retailer bobuCuisine Launches A Stunning New Glass Pitcher

*August 17, 2016*

August 17, 2016 - PRESSADVANTAGE -

Saint Petersburg, Florida, ? August 15, 2016: ?Elegant?, ?Stunning? and ?Sophisticated? are some of the terms being used to describe the latest item in the exclusive bobuCuisine homewear range. This popular American company has recently officially launched their new Scandinavian designed Glass Pitcher. Although only on the market for a short time, this elegant new design is already attracting record sales and consistent positive feedback. Now this classic glass pitcher is heavily discounted for a limited time only. CEO and founder of bobuCuisine, Mr. Gagnon explains further:

?For a limited time we are discounting our Elegant Chill Glass Pitcher and offering a \$4.00 OFF Amazon discount code. This special offer will be available to customers around the United States who can take advantage of this exclusive deal by visiting our Amazon.com storefront. We are already reporting a surge in orders and customers will have to act quickly if they don?t want to miss out on this exclusive deal.?

To take advantage of this special offer, simply use promo code BBCGLAPR at checkout and \$4.00 will be removed from the final sale price.

The bobuCuisine home wear range has been created as a chic and modern accompaniment to any kitchen environment. The new Elegant Chill Water Pitcher is no exception. This striking design features a secure stainless steel lid and a thermal shock-resistant borosilicate glass body. This enables alternating hot and cold beverages to be easily held within this pitcher without risk of breaking. The pitcher will hold beverages for several people, while still being small enough to easily store away in the fridge.

bobuCuisine customers like Kim Bradley are very impressed with the Elegant Chill Glass Pitcher: "Beautifully sleek design. Perfect size for chilling lemonade, water or a lovely mojito mix. The design is very modern and sleek. Pours easily and without any spillage. It is also not bulky so it fits in the refrigerator on a shelf or even on the door. Will be a lovely addition to our table for either formal dining for water refills or more informal settings."

All bobuCuisine products come with a lifetime warranty and money back guarantee for extra customer reassurance. Many items within the bobuCuisine range are now heavily discounted, making it an ideal opportunity to update the kitchen with these fashionable and practical homeware products. More information about these offers is available at the bobuCuisine website and on Amazon.com.

About bobuCuisine: To learn more about the bobuCuisine Juice Boost Infusion Pitcher or any other product from this company, customers can visit their website or Amazon.com retail page. All bobuCuisine products come with a lifetime warranty and money back guarantee for extra customer peace of mind. The current special discount deal will only be available while initial supplies are still in stock.
