

Top Temp Agency in Farmers Branch Launches Hot Summer Job Campaign to Fill Open Positions

August 19, 2016

August 19, 2016 - PRESSADVANTAGE -

Farmers Branch, TX - As a well-known leader of Temp agencies in Farmers Branch, TX, Express Employment Professionals recently released a survey discussing what businesses believe are the reasons so many jobs remain unfilled. With the launch of their new summer campaign, Hot Summer Jobs, they intend to attract new applicants to their Job Openings page in order to fill vacant jobs in office services, light industrial and professional staffing to name a few.

Officially released April 20, 2016, the survey was taken by 340 businesses and the primary reason many jobs remain vacant is due to the "lack of available applicants". In addition, 26% voted "lack of experience" while 15% believed "lack of hard skills" are the primary causes.

"Too many applicants just don't have the right skills. We have ongoing partnerships with local communities and community colleges to fix that," says Mike Overby, Owner of Express Farmers Branch. "Also, there are communities without bus or mass transit. We are also working with those companies and communities to identify optional transit sources."

Express Farmers Branch's Hot Summer Jobs campaign directs applicants to their website's Job Openings page by promoting an available top job in the Farmers Branch region. Interested parties that are looking for a job can set up an interview with the Express Employment Professionals in Farmers Branch, TX by calling (972) 200-3037.
