August 19, 2016

August 19, 2016 -
Jacksonville, Fla. ? As a leader of temp agencies in Jacksonville, Fla., Express Employment Professionals recently released a survey discussing the top reasons why many jobs remain vacant. With the release of their new summer campaign, Hot Summer Jobs, Express West Jacksonville intends to attract new applicants to their Job Openings page in order to fill vacant jobs in office services, professional staffing, logistics and transportation staffing, among others.

Officially released on April 20, 2016, the survey was completed by 340 businesses with ?lack of available applicants? as the primary reason for so many vacant positions. Twenty six percent stated ?lack of experience? while 15% chose ?lack of hard skills?.

?What we have found is for most clients it?s about using all resources available to fill those jobs,? says Express West Jacksonville?s Owner, Michael Brady. ?As for associates, it?s simply about knowing how to find and present open opportunities in the right way.?
