1st Family Dental, which is a dental office in Albany Park, Chicago, IL, that is committed to ensuring everybody is able to get the best possible dental care, has announced that they are now open every Sunday from 9:00 am to 1:00 pm. The schedule on Sundays is in addition to their regular Monday to Friday opening hours between 9:00 am or 10:00 am and 7:00 pm, and their Saturday opening hours from 9am till 3pm. They have also welcomed a new dentist, Dr. Tarek Abourass.

Vicky Khawaja from 1st Family Dental says: "We want to make sure that there are hardly any barriers to people getting excellent dental care. We are one of the few in the area that are open until 7pm during weekdays, as well as on Saturdays. Those who are looking for a Chicago dentist open on Sunday can now rely on us. That way, people can always access dental care, regardless of their personal work or family schedules."

The clinic offers general dentistry, cosmetic dentistry, and orthodontics. Additionally, the clinic has various payment options in place, to ensure that finances are not a barrier to accessing dental care either. They accept PPO dental insurance, First CommonWealth HMO Plans, AllKids Dental Plans, and Adult Medicare Dental Coverage. Additionally, the clinic is happy to take any queries to maximize insurance benefits.

Those who have visited the clinic have always been full of praise about the care, attention, and service they have received. "Thanks a million to the extremely patient woman at the front desk who verified my dental insurance benefits," says Anna G. on the clinic's Facebook page. "Those of you who are yourselves health care providers know it takes lots of patience and resolve to deal with those lovely insurance companies."

Appointments are now being accepted, and interested patients are encouraged to contact the clinic as soon as possible to book themselves in, or to register as a patient. Their website, www.1stfamilydental.com, provides a comprehensive guide for those who are new to 1st Family Dental.
