

Pattaya Marketing Consultant Offers Free Lead Generation Software for Pattaya Real Estate Agencies

May 13, 2015

May 13, 2015 - PRESSADVANTAGE -

Pattaya marketing consultant Anthony Hayes of KISS Internet Marketing, well known leader of Pattaya Real Estate Agency marketing, announces the launch of a new local marketing package service for Pattaya real estate agencies and their agents. According to Anthony "the the lead generation software is a gift and affordable online marketing lead generation packages for Pattaya real estate agents and agencies alike will be available for purchase beginning this week."

Anthony says, "Our specialty is serving the local Pattaya real estate agency and their agents. What we are offering is a free lead generation software and done for you service which will generate leads on demand. There is no better way than using premium press releases to drive highly targeted traffic in high volume at low cost. So the first part of this package is a done for you premium press release that will create a huge buzz in the Pattaya area."

Anthony continued, "Second we will create a business marketing video. Whiteboard videos are engaging and just about every business owner has seen them and would love one! All That needs to be done to do is fill in the simple form and submit some details and we will do the rest with a professionally done explainer

whiteboard video your customer will Love"

Explaining how leads will be generated Anthony added, "third we will create a high converting intelligent and attractive landing page system that nobody else has got for free as a part of the package. The leads will be sent to you as high priority or low priority so you know who to contact first. You can drive traffic with the press release and the whiteboard explainer is video carrying the marketing message, all that is needed is a lead page to gather leads This is created in facebook to allow for easy audience growth, low cost traffic options which you can take advantage of or we can even do that for you as well."

Anthony continues explaining, "fourth we would like to offer a paid ads campaign as an upgrade if it is desired."
