

Troy Warren Appoints Corinne Kerston as Barter Trade City Ambassador for the Honolulu, HI eBarterExchange

August 25, 2016

August 25, 2016 -

Troy Warren, host of LetsTalkBusinessRadio.Com, announced today the launch of eBarterExchange.Com in Honolulu, HI. Warren has appointed Corinne Kerston as the Honolulu Trade City Ambassadors. Corinne coordinates Trade and Networking Events for business owners in the greater Honolulu area.

Warren commented, "I am very excited for the Honolulu members to work with Corinne as the Ambassador of the Honolulu eBarterExchange because of her finance and accounting experience which is highly related to barter transactions."

Corinne Kerston can be reached at (213) 357-2139 to learn more about the Honolulu eBarterExchange as well as arranging to speak about barter at business networking events.

Kerston said, "I am excited about introducing barter to the Hawaii market. I have worked in finance for years, but also in the online marketing arena, and I have seen first-hand how networking and collaboration can

benefit all businesses involved. Yes, barter is a concept we've seen in past, but eBarter Exchange is helping make it a modern method where everyone wins.?

eBarterExchange.com is launching in 81 major metropolitans and each has a Trade City Ambassador to facilitate trade and networking events in each city while the company supports the Members and Trade City Ambassadors from its offices in Chandler, AZ and Evanston, IL.

Warren commented, ?I am truly excited to be launching the eBarterExchange network because it helps all business owners leverage their goods and services and increase their buying power and reduce expenses at the same time. The barter industry has truly helped business owners particularly in down economies like we have experienced since 2008. Barter transactions have climbed over \$16 billion annually in the USA alone and there does not seem to be an end in sight.?

Troy Warren and Willie Crawford are co-authoring a book on all facets of BARTER and TRADE entitled ?The Forgotten Currency - Barter For What You Want Without Using Cash? that reveals how to increase revenues and decrease expenses.
