“Lawton, OK is a nice place to live, but there are still parts of Lawton that I really wouldn’t suggest people to live. The north and south side of Lawton do tend to have higher crime rates, while the west and east side of Lawton are really nice. We have picked two apartments both located on 82nd st on the far west side of Lawton. The neighborhoods surrounding both apartments are very family friendly and our top picks for both military and non-military families located in Lawton, OK. We have recently contacted these affordable Lawton apartments and at the moment they have one, two, and three bedroom apartments available for rent.”
