Houston Pool Contractors, a business in Houston, TX, that deals with outdoor or backyard construction, has recently hired Roy Wingate Business Consultants, based in Odessa, TX, to deal with their online marketing campaign. The consultant has now published new content on the Houston Pool Contractors' website at <https://houstoncustompoolcontractors.com/>. This post deals specifically with the costs of the construction of in ground pools.

Roy Wingate himself says: "I have loved working with Houston Pool Contractors and have learned so much from them. In fact, I am looking into hiring them to do my own backyard, now that I know what to look for, what to expect in terms of costs, and now that I know what they can actually do. The latest post we have created together focuses specifically on in ground pools, their costs, and their benefits."

As part of the new post, Roy Wingate has included a section on the benefits of having an in ground pool. These include having a personal vacation spot at home, being able to spend quality time, increasing fitness levels, accessing health and relaxation, providing stress relief, enabling people to engage in aquatic therapy, increasing the value of a home, helping to provide entertainment, enabling people to cool down, and various

benefits for asthmatics. Roy Wingate Business Consultants has also created a video that gives people a better idea of the benefits, and also about what to look for in a pool construction contractor.

Roy Wingate Business Consultants intends to continue their relationship with Houston Pool Contractors for the foreseeable future, helping them build up their website and online marketing campaign. As can be seen on their website at <https://roywingatebusinessconsultants.com/>, the company focuses on helping their clients achieve "street credibility". They define this as trust, authority, social proof, and recognition. These values are what they are trying, successfully, to add to Houston Pool Contractors as well.

"We have successful first-hand experience in building our own companies (since 1973) and we can help you build and market yours," adds Roy Wingate. "If you can't be found online in three seconds or less, you basically don't exist. What we do is make sure that you do get found within that time."
