Troy Warren, host of LetsTalkBusinessRadio.Com, announced today the launch of eBarterExchange.Com in Chicago, IL. Warren has appointed Tracey Jordan Christmas as the Chicago Trade City Ambassador. Jordan coordinates Trade and Networking Events for business owners in the greater Chicago area.

Warren commented, "For almost 15 years Jordan has been teaching the principles of service excellence to business owners, senior leadership, and customer care teams in the Chicago area. Because the eBarterExchange platform is heavily related to service and fulfillment, I am very excited that Jordan will be sharing easy-to-implement customer care strategies with Chicago members invested in being the best they can be."

Jordan Christmas can be reached at (312) 880-7723 to provide more information about the Chicago eBarterExchange and to arrange to speak about barter at business networking events.

Christmas said, "I often consult and coach remotely, flexibility which affords me opportunities to work with wonderfully diverse groups. It is my pleasure, as Trade City Ambassador for Chicago, to meet members face to face and help them perform barter transactions to aid their business profitability. I consider connecting business owners and working collaboratively to realize untapped potential time well spent."

eBarterExchange.com is launching in 82 major metropolitans and each has a Trade City Ambassador to facilitate trade and networking events in each city while the company supports the Members and Trade City Ambassadors from its offices in Chandler, AZ and Evanston, IL.

Warren commented, "I am truly excited to be launching the eBarterExchange network because it helps all business owners leverage their goods and services and increase their buying power and reduce expenses at the same time. The barter industry has truly helped business owners particularly in down economies like we have experienced since 2008. Barter transactions have climbed over \$16 billion annually in the USA alone and there does not seem to be an end in sight."

Troy Warren is writing a book on all facets of BARTER and TRADE entitled "The Forgotten Currency - Barter For What You Want Without Using Cash" that reveals how to increase revenues and decrease expenses.
