The Best Businesses of Philadelphia Award Program is a hugely important program for local businesses across the board. It provides well-deserved recognition, but also demonstrates the importance of their work in the local community. The fact that we have been recognized for this is really humbling."

Various sources of information were gathered and analyzed to choose the winners in each category. The

2016 Best Businesses of Philadelphia Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Best Businesses of Philadelphia Award Program and data provided by third parties.
