March 21, 2017

March 21, 2017 - PRESSADVANTAGE -

EventMover, Inc., a transportation services company headquartered in Orange County, California, will represent the Women's Business Enterprise National Council (WBENC) as Co-Chair of the Host Committee in welcoming 4,500 executives from the nation's leading corporations, government entities and Women's Business Enterprises at the 2017 WBENC National Conference & Business Fair in Las Vegas, Nevada from June 20-22, 2017.

The WBENC National Conference and Business Fair is the largest and most prestigious gathering of corporate and government buyers and women business suppliers in the nation. As Co-Chair of the Host Committee, the EventMover team will join WBENC, the conference Host Council, WBENC-West, and all Host Committee members as official ambassadors providing information about the conference, its goal, mission and content. EventMover President, Lisa Michele Chretien will lead the Host Committee as Co-Chair in serving as a spokeswoman to local, regional and national media outlets to gain exposure for WBENC and the Host Council Regional Partner Organization, WBENC-West.

In 2017, EventMover will be celebrating 16 years in business and 5 years as a WBENC-Certified

woman-owned business, providing custom transportation solutions for companies exhibiting at trade shows, auto shows, special events, and promotional tours. EventMover was founded in 2001 by Lisa Michele Chretien and has generated millions of dollars in supplier diversity spend for transportation services provided to Fortune 500 clients including Nissan, Infiniti, Mercedes-Benz, BMW, and Fiat Chrysler Automobiles.

“WBENC has provided EventMover opportunities to build connections with C-Suite decision makers and create partnerships that bring innovation and add value to our service offerings,” said Mrs. Chretien. “It is truly an honor to represent WBENC, our Host Council, WBEC-West, and all of the outstanding women-owned companies across our country that contribute substantially to our nation’s economic growth.”
