Troy Warren, host of LetsTalkBusinessRadio.Com, announced today the launch of eBarterExchange.Com in Tallahassee, FL. Warren has appointed Donna Anderson as the Tallahassee Trade City Ambassador. Anderson coordinates Trade and Networking Events for business owners in the greater Tallahassee area.

Warren said, "I am excited to introduce Donna as the Tallahassee eBarterExchange Ambassador because she has been a successful entrepreneur and in business since 1990. She was a successful medical massage therapist for 20 years and now is in the laser etching and cutting business. The Tallahassee members will learn lots of business skills from her as well as how to apply barter to their businesses."

Donna Anderson can be reached at (850) 528-6206 to learn more about the Tallahassee eBarterExchange as well as arranging to speak about barter at business networking events.

Anderson said, "I love how eBarterExchange presents a great opportunity for everyone, it's a WIN, WIN, WIN. It is a great new adventure for business owners and a new way of doing things that increases both profits and growth. I am sure eBarterExchange will take off quickly especially in our current economic times."

eBarterExchange.com is launching in major metropolitans all across the USA and each has a Trade City Ambassador to facilitate trade and networking events in each city while the company supports the Members and Trade City Ambassadors from its offices in Chandler, AZ and Evanston, IL.

Warren commented, "I am truly excited to be launching the eBarterExchange network because it helps all business owners leverage their goods and services and increase their buying power and reduce expenses at the same time. The barter industry has truly helped business owners particularly in down economies like we have experienced since 2008. Barter transactions have climbed over \$16 billion annually in the USA alone and there does not seem to be an end in sight."

Troy Warren is writing a book on all facets of BARTER and TRADE entitled "The Forgotten Currency - Barter For What You Want Without Using Cash" that reveals how to increase revenues and decrease expenses.
