Successful Marketing Solutions has announced that they are offering a wealth of new travel deals for the fall season with their luxury vacation club through the Best Online Business Travel website. They have included a number of romantic travel destinations, which are perfect for honeymoon getaways. By being members of the luxury vacation club people get to enjoy some of the world's most beautiful destinations, at prices that anyone is able to afford.

Robert Boyd, Sr from BestOnlineBusinessTravel.com says: "Our vacation club membership lets you enjoy luxury travel without the high price tag. We have included a number of new amazing destinations for this fall, enabling people to truly enjoy this mesmerizing season, be that for a honeymoon, a business trip, or just a few days of relaxation."

Through the company's best vacation club memberships, people can enjoy a vacation like no other. Rather than tying people down with a timeshare, where they have to plan with great difficulty how they can use their allocated piece of time, the vacation club enables people to enjoy their vacation as they want, when they want. Robert Boyd Sr. adds: "When you consider the various fees you would spend on a timeshare, including

special assessment fees, maintenance fees, and annual fees, it quickly becomes clear that a timeshare is actually incredibly expensive. In fact, when you put those fees together, you could have two vacations through our club."

Some of the activities that the club is offering include hot air balloon trips, cruises, custom tours, wine tours, sightseeing tours, and theme parks. All of these are organized with luxury in mind, giving people a full five star experience at a one star price tag.

Many people feel that these exclusive travel deals sound too good to be true. However, Best Online Business Travel has an AA rating with the Business Consumer Alliance, with not a single complaint logged against them to date. Rather, the site is recognized and respected for offering luxury travel membership, available franchises, online marketing and an alternative to timeshares. Over 1,500 people have already been able to take advantage of these offers, as well as being able to earn an extra income on the side.
