## **CDI Publications Launches New Kindle eBook The Anti-Aging Secret: A Natural Essential Oils Guide to Staying Young**

*September 13, 2016*

September 13, 2016 - PRESSADVANTAGE -

September 13, 2016; Boynton Beach, FL: CDI Publications, a respected and reputable leader of the digital publishing industry, eagerly announces the release of a new Kindle eBook; The Anti-Aging Secret: A Natural Essential Oils Guide to Staying Young. As part of CDI Publications' ongoing efforts to reduce environmental impacts associated with physical print publications, this information rich educational resource will only be available from the Amazon Kindle store.

"My latest Essential Oils eBook delivers a wealth of information for those interested in reducing the effects of aging," states Ann Sullivan, author of The Anti-Aging Secret: A Natural Essential Oils Guide to Staying Young. "In my previous Essential Oils eBook I discussed a multitude of methods for using Essential Oils, but I failed to address the harsh effects that aging has on our skin. Many of my readers wanted to know if Essential Oils could be used to address this issue. I am pleased to provide them with the specific material they desire!"

This flip book style guide delivers a wide array of simple, easy to follow recipes for combining Essential Oils

that have exhibited the properties inherent to reducing the visible effects of aging. Readers will find relevant information that will educate them on the proper methods for employing these age defying Essential Oils as part of their daily personal hygiene regimen. Consumers will also be enlightened on the appropriate safety procedures to follow when applying the Essential Oil recipes provided in this publication.

“Essential Oils are new to most people,” explains Sullivan. “They do not possess the knowledge required to effectively implement Essential Oils into their daily lives. It is my hope that by providing this insightful and educational literature, new members of the Essential Oils community will embrace the products and discover the awesome abilities inherent to all of them.”

As a respected member, and rising star of the digital publishing industry, CDI Publications aims to set the standard by which all other publishing companies are compared. The company has recently announced efforts to become eco-friendlier by focusing solely on the publishing of digital content. Providing these digital publishing services to clients and customers is a nice addition to the company’s strategy and mission statement.
