Automotive detailer, Mint Condition, now occupying a warehouse space in JGM Properties Carlson Business Center, announces they offer full service interior and exterior auto cleaning and detailing.

"At Mint Condition, we understand that a customer's car, truck, boat, auto, van, yacht, bus, RV, mobile home or SUV is more than just a simple mode of transportation or home," says Mint Condition owner Marty. Mint Condition uses purified water in all of their cleaning, ensuring a gentle, non-abrasive car wash. Paying close attention to chrome accents, rims, tires, door jams and moldings, Mint Condition can revitalize a car and give it a (showroom floor) new car look. Mint Condition offers interior and exterior detail cleaning, mini cleanings, mechanical maintenance, interior and exterior repairs, fabric protection, undercoating, rust proofing, and more.

Mint Condition's interior cleaning includes shampooing of all carpet and upholstery, including headliner, seats, and floor mats, stain removal, cleaning of all plastic, leather and vinyl dash, vents, glove box, and center console. They also fine clean all cracks, crevices, cubbyholes, cup holders, and coin trays. No matter what you drive, Mint Condition Detailing prides themselves in paying close attention to detail and utilizing modern techniques and products.

"Regardless of a customer's busy schedule, the convenience and flexibility of Mint Condition provides customers with fast and friendly service to protect a customer's automotive investment," says Marty. The detailers at Mint Condition are trained to treat every vehicle as if it is their own, making sure each job undertaken is completed to their rigid standards. Engine steam-cleaning, carpet cleaning, wax and sealer treatments, hand washing are just a few of the additional services offered at Mint Condition Auto Detailing.

JGM Properties works with nearly 500 tenants, including Mint Condition Detailing, to provide office, warehouse, and retail space for lease in Minnesota. JGM Properties owns and manages Carlson Business Center, as well as two dozen other suburban Twin City warehouse, office and retail properties.
