January 13, 2017 - PRESSADVANTAGE -

Panama City, Fla. - CCS Floor Care, a leading carpet care company in Panama City, FL, has graciously collaborated with the Gulf Coast Children's Advocacy Center to bring holiday joy to deserving teens in the community.

The Gulf Coast Children's Advocacy Center is well-known for assisting, protecting, and strengthening families in the Panama City area. Christmas is now right around the corner, and the organization is searching for any help it can find to make a difference in the lives of teenagers in the community. That's where CCS Floor Care comes into play.

This year, the Emerald Coast carpet cleaning company will be a prime drop off location for the 'Self Esteem' bags program, an initiative designed by the Gulf Coast Children's Advocacy Center. The goal of the program is to have individuals in the community put together bags of hygienic products such as shampoo, toothbrushes, and deodorant, to give to teens in the area that don't have access to these essential items.

CCS Floor Care encourages everyone in the community to take part in the giving because it could truly make a difference in life of a teenager this Christmas. Caring givers can drop off their "Self Esteem" bags in the CCS Floor Care main office, located at 1814 High Ave., Panama City, FL 32405.

"We can't stress enough the importance of this program," Owner Mark Broersma said. "Each year, so many teens struggle without these basic necessities and end up having to make countless sacrifices to get by. Let's end that now by giving them something they really need, not just for one Christmas morning, but for every day."

CCS Floor Care is proud to do business in the Panama City area and participate in the gift of giving this holiday season. For more information regarding CCS Floor Care and the "Self Esteem" Bags, please call (850) 265-4204.
