September 21, 2016 -
The Butler?s Tires & Accessories is now offering new and used tires including the installation of tires, vehicle accessories, center cap and a whole lot more.

The aim of the company is to increase the awareness of people to quality tires, pairs and matching sets, rims and accessories for all makes, models and years.

Being a new division of Butler Auto Recycling, Butler Tire & Accessories, specialized in auto part accessories and used tires. It also has added a lot of products with used tires sold with a guarantee.

Through their warehouse store, a selection of 2,000 used tires of singles, matching sets and pairs can be found. All used and new tires will be monitored utilizing a computerized inventory system. This is a one way of the company to provide the most accurate quotes for customers. Also, damaged rims are easily resolved using the factory wheels. A new selection of used and quality running boards, trailer hitches, nerf bars is also presented to clients.

Actually, the company is different from other businesses in the same area and category because of its inventory of all new and used tires in a computerized system. This is, as mentioned, provides real-time inventory to meet the guaranteed satisfaction of clients. The prices usually include balance, Tire Installation and disposal. Guessing game is also taken out of the context to meet their standards.

As per the types of payments accepted by the company, these usually include check, cash, Discover, American Express, Mastercard and Visa. Other areas that they service include Foley, Mobile, Pace, Cantonment, Pensacola, Fort Walton Beach, Destin, Crestview and Milton. The hours of operation start from eight in the morning until five in the afternoon from Mondays to Fridays and seven-thirty in the morning to four in the afternoon on Saturday.

?They had to order my tires. When they arrived I was promptly notified. I arrived at the shop the next morning and was out of the shop in 45 minutes with a set of new tires at a great price. They noticed I was missing a center cap on one of my tires and they offered to replace it for $10. It was a great experience." - Mike McGraw

It is expected that more people will be interested in the products sold and the installation service offered.
