September 21, 2016 - PRESSADVANTAGE -

Northwest Trophy and Awards has opened up a wide range of trophies, art glass, promotional items, crystal awards and more at reasonable prices, helping individuals and businesses find the perfect style of award for their project.

Established in 1938, Northwest Trophy and Awards strives to help customers realize their recognition vision in a quality and cost-effective product. The company has three showrooms that are open from 9 am to 5 pm, Mondays through Fridays. Those who cannot personally go to the showrooms can visit the company's online store, which is available 24/7, to find the products they need.

The company says that recognizing a group or a person with a trophy is a good and stylish way of showing how much they are appreciated. Northwest Trophy and Awards not only designs a detailed award from scratch according to their customer's requirements, but also engraves the pieces they choose. A customized message can be engraved on the trophy to make it more personal.

The company's collection of trophies and awards is available in various styles and shapes. Their crystal

trophies are perfect for recognizing the achievements of someone in sports and other events. For businesses that are looking for awards to honor a top executive, volunteer or employee, they can find medals, emblems and plaques in different designs. Northwest Trophy and Awards also offers a wide range of promotional items that can bear the logo of a company, team and more.

Business owners and individuals can find ceremonial items, frames, display cases, desk accessories, crystal, acrylic awards, glass, sculptures, pins and patches, stone and marble and Oscar rental. All of these items can have a message engraved on them. Clocks can also be used as awards. Northwest Trophy and Awards offers clocks that not only tell time, but also show the name of the recipient or message meant for him or her.

The company's team of engravers can engrave almost anything. Due to the wide collection of awards offered by Northwest Trophy and Awards, the company says that customers can browse and find the right style of award for the group or people they want to honor.
