# The ProMedia Group of Tampa Corp. Dunedin Florida Has Expanded and Opened An Office in Tampa Florida

*May 20, 2015*

Tampa, Florida - May 20, 2015 -
The ProMedia Group of Tampa Corp. in Dunedin Florida has expanded and opened an office in Tampa, Florida at 2700 N. MacDill Ave. Suite 108. This audio-visual technology provider, has now increased their presence in the Tampa Market, with a convenient location central to the West Shore Business District and Downtown Tampa.

The ProMedia Group of Tampa Corp. is Tampa Bays? premier audio visual consultant design-build firm. With a keen focus on commercial audio visual systems, their Consult / Design / Integrate formula has had great success for their growing customer base. Having this office close to the Westshore Business District and Downtown Tampa provides better access to their clients, enabling The ProMedia Group of Tampa Corp. to expand and build upon an already exceptional record of service and customer satisfaction.

Owned and managed by Ken Avis, the company has been proud to offer a corporate standard of customer service in an AV industry that has not always grasped the importance of putting the customer first. ?Prior to my experience in the AV world, I managed departments in an industry that was graded primarily on its level of customer satisfaction ? only 100% was acceptable. That is the level I strive for with our clients? notes Ken

Avis, President of The ProMedia Group of Tampa Corp.

Specializing on the corporate boardroom, their process helps the customer choose the best products for success. Polycom video conference systems, along with Crestron control, create a perfect blend of function and ease of use. Sharp, LG, and Samsung provide a variety of commercial products to create a high standard for exceptional quality in the conference room and for digital signage.

The fastest growing segment for the The ProMedia Group has been the design and installation of Video Walls. From corporate boardrooms to free standing retail displays, the newest generation of video walls have better quality and a much shorter ROI.

The ProMedia Group is available to Consult, Design and Integrate the best audio-visual solution for Tampa Bay?s corporate market, including audio systems, background music systems, sound masking systems, video conference systems, custom video wall displays, digital signage networks, presentation environments, corporate training rooms, interactive displays and digital signage.

The ProMedia Group of Tampa Corp. can transform your client sales room into a showroom to drive business and impress clients, or a training room into a digital educational environment. The correct audio-visual solution will make meetings more effective and engaging.

This additional location, close to downtown Tampa Florida, aspires to reach a lot more customers who are in need of the latest audio-visual products. The ProMedia Group is a professional company that is pleased to offer brands such as, Polycom, Crestron, Sharp, LG, Samsung, FSR Inc., Chief Manufacturing, Da-lite Screens, Barco Clickshare, Atlona and many more commercial audio visual manufacturers.
