

CDI Publications Announces New Kindle Release The Case of Cassia Essential Oil

September 30, 2016

September 30, 2016 - PRESSADVANTAGE -

September 30, 2016; Boynton Beach, FL: CDI Publications, the preeminent and most respected leader in the digital publishing industry, eagerly announces the launch of a new Kindle eBook release titled The Case of Cassia Essential Oil. In conjunction with the company's continued efforts to reduce carbon footprints, as well as environmental impacts, this information rich educational resource will only be available through the Amazon Kindle store.

"My latest eBook endeavor discusses the unique benefits and advantages of Cassia essential oil," states Ann Sullivan, author of The Case of Cassia Essential Oil, as well as several other titles available in the Amazon Kindle store. "Several of my elderly followers suffer from arthritis as well as joint pain and muscle stiffness. Cassia essential oil has the ability to provide relief for these symptoms when applied topically."

As a flip book style guide, The Case of Cassia Essential Oil offers a veritable wealth of information on the properties, benefits, advantages, and uses of Cassia essential oil. Readers will discover the various ailments that Cassia essential oil can be used for. They will also learn a wide variety of therapeutic uses for Cassia essential oil, as well as the safety measures recommended for using essential oils in general. Finally, readers

will be instructed on the proper methods of storing essential oils to ensure the longevity of their shelf life.

"My family has a long history of using essential oils," explains Sullivan. "Both my parents, and my in-laws use Cassia essential oil to help relieve the aches and pains associated with arthritis. All four of them were instrumental in the publication of this book as they each indicated the need for relevant literature to accompany these natural remedies. It was because of this that I decided to create easy to read and understand guides for each of the essential oils we use in our family."

As an illustrious leader of the digital publishing industry, CDI Publications continues to exemplify the standard by which all other publishing companies are compared. CDI Publications initiated the transition from conventional print publications to an all-digital format for the material they publish. Offering digital publishing services to current clients and new customers is a nice addition to the company's online strategy and mission statement.
