October 06, 2016 - PRESSADVANTAGE -

Boynton Beach, FL: CDI Publications, a respected leader of the digital publishing industry and preeminent member of the emergency preparedness community, eagerly announces the release of a new recipe book from featured author Ann Sullivan titled Unexpected Easy and Delicious Apple Recipes. In keeping with the company's ongoing efforts to reduce carbon footprints and environmental impacts while offering digital publishing services to new and existing clients, this recipe rich resource will only be available through the Amazon Kindle store.

"Football season is in full swing, which means fall weather and seasonal holidays are just around the corner," states Ann Sullivan, author of Unexpected Easy and Delicious Apple Recipes, as well as several other essential oils and recipe books. "With Halloween, Thanksgiving, and Christmas on their way, warm apple pies, apple ciders, and apple flavored adult beverages are an absolute necessity. This recipe book is chockful of ideas that will liven up any holiday setting."

This digital recipe book has been published with flip book style formatting to include a bit of familiarity with traditional physical print publications. Unexpected Easy and Delicious Apple Recipes is an easy to follow,

step by step guide that removes all of the guesswork from the instructions. These recipes can be created and completed by anyone who knows their way around a kitchen. Everyone from veteran chefs to experienced homemakers will appreciate the simple to follow format, as well as the delectable delicacies when they are done.

?Apples are a seasonal treasure here in our household,? states Sullivan. ?Several of the families in our vicinity actually operate Apple orchards. Our tiny town even hosts an annual Apple Festival. A great many of the recipes contained in this book come directly from those who were fortunate enough to win one of the festival contests. I am confident that readers will enjoy the flavorful apple recipes compiled and shared within these pages.?

As a reputable leader, and rising star of the digital publishing industry, CDI Publications continues to set the example by which all other publishing companies are measured. The company?s recent announcement to implement more eco-friendly avenues for distributing information, can be seen in the digital only offerings they have made available. Offering digital publishing services to new and existing clients is an excellent addition to the company?s strategy and mission statement.
