October 6, 2016; Boynton Beach, FL: CDI Publications, a respected leader in the digital publishing industry and reputable member of the emergency preparedness community, proudly announces the launch of a new Kindle eBook release titled The Support of Cedarwood Essential Oil. As part of the company's ongoing efforts to reduce carbon footprints and environmental impacts traditionally associated with physical print publishing, and provide digital publishing services for new and returning clients, this information rich resource will only be available through the Amazon Kindle store.

This latest essential oils eBook edition focuses on the unique advantages and benefits of Cedarwood essential oil, explains Ann Sullivan, author of The Support of Cedarwood Essential Oil, as well as several other titles available on the Kindle platform. Several of my followers suffer from unsightly skin conditions, such as eczema, psoriasis, dry skin, and dandruff. Cedarwood essential oil has several inherent properties which will help alleviate many of the symptoms associated with these skin conditions.

Published with flip book style formatting, this educational guide is designed to incorporate a modicum of familiarity with traditional physical print publications. The Support of Cedarwood Essential Oil provides a

veritable wealth of information on the properties, benefits, advantages and uses of Cedarwood essential oil. Readers will discover what Cedarwood essential oil can be used for, how to properly apply it, the safety precautions to follow when using it, as well as recommended storage procedures.

?Cedarwood is one of the essential oils commonly used around our house, especially when winter weather arrives,? states Sullivan. ?The drier climate causes several members of the Sullivan family to experience dry, cracked, and itchy skin conditions. By applying Cedarwood essential oil topically to the affected areas, we are all able to continue with our days, habits, jobs, and school. It also has a magnificent aroma that we find invigorating and warmly inviting during the holiday season.?

As an illustrious leader of the digital publishing industry, CDI Publications continues to exemplify the standard by which all other publishing companies are compared. CDI Publications initiated the transition from conventional print publications, to an all-digital format for the material they publish, ahead of several of their competitors in the publishing industry. Offering digital publishing services to current clients and new customers is a nice addition to the company?s online strategy and mission statement.
