

Web Design Company Opens Up New Office In Camarillo, CA

October 11, 2016

October 11, 2016 - PRESSADVANTAGE -

Blue Fusion Digital has announced the opening of a new office in Camarillo, California. The web design company offers a variety of services for local and national businesses, and now provides more convenient access for those in the Camarillo area.

Shane Hampson, President of Blue Fusion Digital, says, "We are super excited about opening an office in Camarillo, I grew up in Ventura County so it's nice to be back home. I know how many amazing local businesses are in the area and we can't wait to help them succeed online."

With additional locations in San Diego and Ventura counties, the SEO Company can now go to, offers a rounded solution for local SEO needs. Hampson states that they are not another run of the mill SEO company, but instead, they offer skills and services that other companies do not, covering all avenues of digital marketing, and at prices that fit into any business budget.

"We offer affordable web design to local businesses that are built for great SEO," says Hampson.

The company aims to create SEO friendly websites that are designed to capture the attention of local customers. Through a variety of strategies and techniques, the agency helps local businesses to garner more attention to their business by gaining more visitors to the company websites.

Studies have shown that nearly 90 percent of all consumers who visit local businesses perform an online search prior to their purchases. The company states that optimizing SEO so that these local consumers can find a business is crucial to their overall success.

Blue Fusion Digital provides the web design Camarillo businesses are looking for as well as the SEO services needed to get those websites listed on the first few pages of Google and other search engines, which the company states is imperative for those looking to gain customers from internet searches. The company also offers pay per click management as well as white hat search engine optimization, reputation management, and local search engine optimization.

Those interested in learning more about what the company has to offer can visit them at their new location in Camarillo, or see a full list of their services on their website.
