October 13, 2016; Boynton Beach, FL: RTG Recipes, an up and coming leader and rising star of the culinary and cookbook industry, eagerly announces the release of a new Kindle eBook titled Baked Pork Chops, by renowned author Ann Sullivan. As part of the company's eco-friendly mission statement aimed at reducing carbon footprints and environmental impacts, all publications offered by RTG Recipes will only be available in digital format. As such, Baked Pork Chops will only be available through the Amazon Kindle store.

"This particular recipe book is one of my all-time favorites," explains Ann Sullivan, author of several essential oils and recipe books. "Health conscious consumers of today are often interested in reducing red meat from their diets, or eliminating it altogether. As such, these folks are often on the prowl for new and exciting ideas of how to prepare flavorful dishes using various protein products like pork chops. I put this recipe book together with those customers firmly in mind. I truly enjoy providing culinary ideas to anyone and everyone that enjoys being in the kitchen as much as I do."

Published with flip book style formatting, Baked Pork Chops encompasses the familiarity of traditional physical print publications. This simple and easy to follow, step-by-step guide removes all the guesswork from the equation. By providing the ingredients and directions in quick and easily understood instructive format, the author has taken the necessary steps to ensure readers are successful in the preparation of these main dishes. Seasoned chefs and inexperienced meal makers will appreciate the simplicity of following the recipe, as well as the finished product.

"I absolutely adore the possibility of experiencing new recipes on a daily basis," Ann states. "Food fatigue is not something that we encounter in the Sullivan household. When I am not in the kitchen whipping up new ideas on my own, I am busy requesting them from many of my friends, family members, and followers. If you are weary of preparing the same old meals time after time, might I suggest picking up a few recipe books to help liven things up a bit?"

RTG Recipes, a rising member of the cookbook and culinary community, aims to provide the latest and

greatest information to ever come out of the kitchen. By featuring authors such as Ann Sullivan, RTG Recipes aims to incorporate as many different cuisines as possible for people from all walks of life.
