Butler Tire and Accessories Is Looking for Skilled Staffs to Help them Provide High Quality Service

October 14, 2016

October 14, 2016 -
Butler Tire and Accessories is happy to announce that they are now looking for skilled and competitive people that can help them offer high quality service in Florida. Butler Tire and Accessories is a fast growing company, this is because of the quality of products and services they provide to their clients. In line with this, they are looking for skilled staffs with the same objective in mind: to give high quality service no matter what.

?We are looking for individuals who can help us provide high quality service that we started. You must be hardworking, committed and trustworthy. We promise a fair compensation and benefits and most of all we treat our staffs as members of our family. If you are qualified please call us or visit our site,? says Jim Butler.

Butler Tires and Accessories is a leading provider of new and Used Tires and accessories. Some of the auto parts and services the company offer include flat repair, reconditioned batteries, used batteries, hubcaps, center caps, used custom aftermarket rims, aftermarket stereos, speakers, and other vehicle accessories.

More than years, the company built a strong reputation of treating their clients and staffs with respects and helping them in comprehending the complexity of car maintenance. They work with their clients to provide an honest diagnosis of their tire and accessories needs as well as make right suggestions of service and repairs.

What makes this company popular is due to the fact that they stock more than 2,000 factory wheels in the event anyone might have a harmed rim or searching to upgrade from boring wheels on their cars. The company deals in buying as well as selling custom rims as well as factory wheels. All the used and New Tires are stored track utilizing a computerized inventory technology to assist offer the most precise quotes for their clients.

For more information on how to apply please feel free to visit their website or call the company's Human Resource department.
