October 14, 2016 - PRESSADVANTAGE -

New customers of Doodlebuggers Service Network, the company has announced, will now be receiving \$15 off chimney/dryer vent cleaning or \$50 off air duct cleaning for their guaranteed satisfaction.

The aim of the company is to increase the awareness of people to a discounted cleaning service to benefit from.

Serving both the commercial and residential residents in the area, the quality of work, integrity and honesty of the company are incomparable. They have the knowledge and the expertise in getting the job done right.

Apart from the discounted cleaning services in chimney/dryer vent and air duct, a quick turnaround will also be provided for them. The process is also streamlined in order that clients get exactly what they want.

Professional repair and cleaning services like chimney inspection, air duct cleaning, air duct inspection, mold inspections, dryer vent cleaning, mold testing and infrared inspections are also offered. Other valuable tips, specials and exclusive promotions are also presented for offices and homes.

Through the services and discounts provided, homeowners and business owners could protect their properties and their loved ones. As such, air duct cleaning could help address the indoor air quality in most homes. State-of-the art equipments and procedures are also utilized to address indoor air quality and air duct cleaning. The specific needs of clients are also taken into consideration while the specific issues are addressed.

Only quality products and services are structured to meet the specific needs of clients. Trained, uniformed and courteous Doodlebuggers technicians adhere to the specific processes set by NADCA. Among those benefits to obtain from discounted air duct cleaning service include good health from reduced mildew and mold that aggravate allergies; cleanliness from five to fifteen pounds of dirt removed; and safety from fungi, viruses, bacteria and decaying organic matter eliminated in the hiding places.

From the \$15 off chimney/dryer vent cleaning, the fireplaces of homes will pass through a thorough cleaning from the bottom to the top. The weather conditions, the height of chimney and the type of roof will also be determined before the cleaning is done.

?Chimneys, dryer vent and air ducts demand a meticulous form of cleaning. We are glad that in a way, this special offer will help them save huge savings. They will believe in us more and will patronize our services offered,? says Tonia LaMontagne, a representative for the company.
