The Bands on the Beach will still continue until the end of October for the guaranteed satisfaction of guests around.

The aim of Pensacola Beach is to increase the awareness of people to the activity continued as part of bringing excitement and fun.

The summer season is fulfilled and completed with Bands on the Beach situated in the Gulfside Pavilion. With this free concert series on a summer, a lot of music options will be introduced as well. Guests only need to grab their lawn chair or blanket and enjoy tunes of all kinds.

The visit to the Dock for \$3 Margaritas is all worth it. The dance floor awaits those who seek for entertainment and fun. The Bands usually start on the first Tuesday of April and continues until Tuesday in October. The event will start at seven in the evening with the guests who need to be prepared and who need to get early in the sand.

In addition, bars and clubs can be enjoyed around while the guests stay at condos on Pensacola Beach. Other best places to try to visit include Bamboo Willies, Flounders, Captain Fun, The Dock and Castaways. From the boardwalk of Pensacola Beach lies the clubs with the live bands that can make their head spin with excitement.

From these bars and clubs is an opportunity to enjoy listening to great bands and DJs. Others could also meet new people the entire night. Those who also fall underage could enjoy Captain Fun that is available for older crowds and eighteen year olds on specific days of the week. People from all ages can come and visit Castaways at any time of the night. The Latin Night will also be featured dancing on a Friday night while the West Coast Swing will be dancing on a Sunday Night.

In addition to the live music and live bands on the beach, other things are also offered like fishing, nightclubs, special events and water sports. The little ones will also like it trying the miniature golf while Moms and Dads will enjoy it indulging the romantic dinner courses. Families can stay at the beach condos on Pensacola Beach for a weekend getaway.

?We are indeed surprised to know that more people wanted to come on Pensacola Beach despite the approaching storm. There were still surfers who go out and chase the perfect wave. The introduction of Bands on the Beach still captivates their attention to stay.?-Jeff Powell
