

Spyder Victor Paintball Guns Announces 25% Discounts At Total Paintball Gear

May 21, 2015

May 21, 2015 - PRESSADVANTAGE -

The discounts mean that shoppers can purchase Spyder Victor Paintball Guns for as low as \$59.99 from the Total Paintball Gear online store.

Anyone shopping for a beginner paintball gun has just been offered a unique opportunity to acquire a Spyder Victor on the cheap. This is thanks to a recent announcement made by Total Paintball Gear ? a company renowned for retailing premium-quality paintball equipment and accessories. Total Paintball Gear recently announced a 25% discount on all the Spyder Victor paintball guns in its online store.

The company?s online store currently has the 2012 edition of the Spyder Victor. The 2012 Spyder Victor is one of the most popular versions of this paintball gun. It features a new ergonomic design which gives it a sleek, stylish look. It is also lightweight and contains a host of features which make the Spyder Victor well suited for both speedball and woodsball gaming needs.

The most prominent among these features is an Exo Valve System which provides an efficiency level for up to 1600 shots from a 20 oz CO2 tank. This gives the Spyder Victor an efficiency level which is on par with paintball guns which are twice its price. Other features include a 10-inch micro ported polished barrel, a two finger trigger system, an ASA and an extruded aluminum body with an anodized matte finish.

These features give the Spyder Victor efficiency, durability and portability. When combined with its market price of \$79.99, they make this gun one of the most cost-effective on the market. Total Paintball Gear?s recent discounts have made the Spyder Victor even more affordable. They are now selling for as low as \$55.99.

According to sources at Total Paintball Gear, the Spyder Victors in their online store are available in a number of color-options. The different color options are intended to meet the esthetic needs of paintball players. Among the available colors are black, olive and olive green. The olive-green Spyder Victor, for instance, is available on the following link:
