Proto Rail Paintball Markers Available At Up To 31% Discounts As Total Paintball Gear Announces Clearance Sale

The discounts mean that shoppers can save up to \$110 per purchase of Proto Rail Paintball Markers and still enjoy free shipping. The markers are available at <http://www.totalpaintballgear.com/Proto-Paintball-Gun/>.

Total Paintball Gear is proud to announce the commencement of the annual clearance sale on its Proto Rail Paintball Markers. The clearance sale is an annual event which precedes the revamping of Total Paintball Gear's Proto Rail inventory. The company uses it to clear off old stock in order to create space for its new arrivals.

This year, the company is offering Proto Rail Paintball Markers at generous discounts of between 19% and 31%. This means that shoppers can shave from \$70 up to \$110 in a single purchase. For shoppers, this offers a tremendous opportunity to acquire top-quality paintball markers at a bargain.

According to sources at Total Paintball Gear, the annual clearance sale is extremely popular with clients. This is because it presents them with a rare chance to obtain great paintball markers on the cheap. As such, orders tend to come in quickly causing the markers on offer to sell out quickly. Therefore, anyone who desires to maximize this opportunity needs to place their order as soon as possible.

This year, the clearance sale features some of the most sought-after Proto Rail models on the market. The chief among these is the Proto 2011 Rail Paintball Marker. This marker is renowned for its ergonomic design, robust build and a host of high-performance features. These features include an Ultralite 45 Frame, 3D milling, a patented spool valve design, adjustable trigger and self-cleaning Eye Pipe Technology. This marker is being offered at a 31% discount, meaning that shoppers can save up to \$110 for every purchase.

Others markers on offer include the Proto Rail Maxxed Paintball Marker, and the standard Proto Rail

Paintball Marker. All these are being offered at a range of discounts. Total Paintball Gear is also offering free shipping for all the Proto Rails on its online store. This guarantees more savings for the shopper.

Regardless of the model, the Proto Rail Paintball Markers are available in a number of delightful colors. The Proto 2011 Rail, for instance is available in black, orange, red, olive, blue, and lime. It is also available in a range of color combinations including black dust, tan dust, blue dust, olive dust and red dust. All the other models have similar color options. This means that shoppers can acquire markers which suit their esthetic preferences.

Ultimately, the Proto Rail is one of the most popular high-end markers on the market. It is especially popular with tournament, professional and speedball players. Total Paintball Gear's clearance sale offers such players a rare opportunity to acquire this marker at a bargain. This is an opportunity which no paintball player should miss. Those who would desire to purchase the Proto Rail Paintball Markers should place their orders (as soon as possible) at <http://www.totalpaintballgear.com/Proto-Paintball-Gun/>.
