October 26, 2016 -

McW offers online and retail outlets in five areas. The flagship location in Christchurch is joined by branches in Timaru Dunedin, Queenstown, and Wanaka.

Christchurch NZ: McKenzie & Willis is pleased to announce that it continues to expand its services and locations in order to reach the maximum number of customers. The quality products and services are available in Timaru, Dunedin, Queenstown and Wanaka, as well as at the flagship store in Christchurch. The staff are available to provide in-home services such as measurements and product selection. Bedroom & bathroom accessories, major furniture pieces and a variety of housewares can be found in the updated 2016 catalogue online.

The categories which are presented online make browsing the website interesting and enjoyable. The images and descriptions are useful for making preliminary selections. The site also offers useful tips for taking care of the products which are purchased, in order to maintain their usefulness, beauty, and quality. Products and furnishings for every room in the home are available.

The products for bedrooms include a range of linens in sizes and styles. The product line also includes items such as duvet inners to make the bedroom accessories suitable for style and warmth as well. Inners are available in a range of sizes and ratings. The MM Down inners are suitable for every season, with ratings of 50/50, 80/20 and 95/5 for the highest quality. The company says the choice of inners provides the perfect balance between weight and warmth.

The selection of bedspreads is an important component of the design of the entire room. The colour choice provides the balance of aesthetic appeal and room décor. The manufacturers are the top ones in the market, including Bianca Loreenne and MM Linen in a range of colours and sizes to suit the room and the preferences of the customers. Whether a classic, floral or geometric choice is preferred, the website offers many selections and options. The customer can depend on the quality and craftsmanship which is found in every product, the company says.
