

Total Paintball Gear Announces The Restocking Of JT Proflex Paintball Goggles

June 20, 2015

June 20, 2015 - PRESSADVANTAGE -

For the past few weeks JT Proflex Paintball Goggles from the Total Paintball Gear online store have not been available. Visitors to the Proflex product page have found the words "Sorry, these paintball masks are currently out of stock." This has been a source of frustration especially for ardent fans of the JT Proflex.

These frustrations have now come to an end, courtesy of a recent announcement by Total Paintball Gear. The company recently announced the restocking of JT Proflex Paintball Goggles on its online store. The restocking means that shoppers can now purchase these paintball goggles from the company's online store.

The JT Proflex goggles currently on sale at the store are the latest on the market. Their full brand name is JT Spectra Proflex Limited Edition 2.0 Thermal Goggles. These paintball goggles are designed to provide users with not only supreme performance, but also maximum comfort and excellent customization options. As such, they are packed with a number of features which provide such capabilities.

The most distinctive feature is the patented Spectra Goggle. This is a thermal lens goggle which is designed to provide visual clarity, fog resistance and robustness. It provides users with a 260 degree range of vision. It is also scratch resistant which makes it well suited to handle the hustles of woodsball and scenario.

The JT Proflex is also renowned for its soft ear protection. This provides maximum protection for the ear without compromising a player's hearing. Other features include a good ventilation system, a visor and a modular design which makes it one of the most upgradable paintball masks on the market. In a nutshell, the JT Proflex is the paintball enthusiast's ultimate mask.

According to sources at Total Paintball Gear, their new stock includes JT Proflex goggles in a variety of colors. The color options available silver, green, purple, white, and grey. Each paintball goggle contains a combination of these colors. All the goggles can be viewed at <http://www.totalpaintballgear.com/JT-Paintball-Mask/>.

The color options mean that every shopper can purchase a JT Proflex which reflects their stylistic preferences. Irrespective of the colors, all the paintball goggles are available at the same price. Total Paintball Gear is currently selling each JT Proflex at \$89.95.

Whoever desires to purchase the JT Spectra Proflex Limited Edition 2.0 Thermal Goggles should visit <http://www.totalpaintballgear.com/JT-Paintball-Mask/>.
