Total Paintball Gear Unveils Azodin Blitz Beginner Packages On Its Online Store

July 04, 2015

July 04, 2015 - PRESSADVANTAGE -
Any paintball beginner who is shopping for their first equipment has just been offered an opportunity to acquire all the essentials in a single purchase. This is thanks to a recent announcement made by Total Paintball Gear, a renowned supplier of paintball equipment, who recently unveiled Azodin Blitz Beginner Packages on its online store.

The packages are designed to help shoppers acquire all the essential paintball equipment in a single purchase. These include a paintball marker, mask, hopper and other cleaning accessories. The goal is to make a player fully equipped to not only begin playing paintball right away, but also be in position to perform basic maintenance on their equipment.

Each Azodin Blitz Package contains an Azodin Blitz Electronic Paintball Marker. It also contains a Gen X VSN Single Lens Paintball Goggle, a JT IVT CO2 Tank, and a gravity feed hopper. The package also contains Super Slick Gun Oil and a pull through squeegee. All these are acquired in a single purchase.

According to sources at Total Paintball Gear, the packages are designed to simplify the shopping experience for paintball beginners. Under normal circumstances, shopping for numerous paintball equipments can be e lengthy experience especially for beginners. The packages eliminate the shopping time by enabling them to acquire everything at a go.

The packages make a paintball beginner fully equipped to enjoy both speedball and woodsball/scenario games. This is due to the versatile nature of the Azodin Blitz Paintball Marker. This marker is renowned for its sleek design, robust build and a host of features which make it perfect for both speedball and scenario.

The chief among these features is a Feather Striker System. This is 30% lighter than standard strikers which reduces the marker?s recoil and thus improve its accuracy. The marker also has semi-auto firing mechanism with up to 4 firing modes.

Other features include a single piece barrel, low pressure inline regulator, sleek aluminum grip frame and low profile design. These features make the Azodin Blitz a high-performing marker. The Blitz is also reliable, easy-to-use and simple to maintain. This is why it is recommended for paintball beginners.

Ultimately, Total Paintball Gear has made it very easy for any paintball beginner to acquire all the basic equipment they need to get started. The Azodin Blitz Paintball Markers are available in black and red. Besides the color of the markers, everything else in the packages is the same. Total Paintball Gear is also offering free shipping for all the Blitz beginner packages.

Whoever desires to purchase an Azodin Blitz Beginner Package should place their order at http://www.totalpaintballgear.com/azodin/.
