Pensacola, Fla., Nov. 1, 2016 ? Prosperous Internet Marketing Inc., an international digital marketing agency in Pensacola, is hosting an online marketing bootcamp event at the Hampton Inn Airport on Nov. 15 to help local business owners dominate the web.

"When people hear the word bootcamp, they panic. They envision loud yelling, harsh commands, and most of all, hard work," the event's speaker and Prosperous I.M. Inc. owner Eddie Hill said. "Rest assured this type of bootcamp will not feel like hard work at all."

Hill and the Prosperous team hope to contribute to Pensacola's economic growth by providing insider tips and tricks to effectively develop and grow the online marketing efforts for local companies.

"This program is designed to help local businesses build a 5-star reputation on the web without diminishing a company's primary goals and objectives," Hill said.

Businesses will be informed on ?what not to do? in the online world and how to take advantage of emerging trends with social media, website development, search engine marketing, and reputation management.

Hill will be sharing his experiences marketing for multiple companies across the United States and Canada. He has built his business model around providing solutions that actually work and making a measurable impact on a company?s online performance. Hill is also a two-time ?Speaker of the Year? award winner and currently sits on the executive committee of the Better Business Bureau of Northwest Florida.

The event will be held on Tuesday, Nov. 15, from 8:30 a.m. to 10:30 a.m. at the entrance of the Hampton Inn Airport on 2187 Airport Boulevard in Pensacola, FL. Doors will open at 8:00 a.m. and refreshments will be provided.
