Christchurch-based home furnishings firm offers a range of furnishing and homewares related services to customers. The firm seeks to expand its ability to help customers choose quality products for home décor.

Christchurch NZ: McKenzie & Willis is pleased to announce that it offers no-charge in-home consultation services to customers who are uncertain about choosing home furnishings and floor coverings. Everything from dressers & drawers to floor coverings is available to customers shopping in one of the retail outlets or online. The storage pieces are suitable as bedroom pieces, or for use in other rooms of the home.

A number of quality pieces from Turnwood and Sorenmobler, as well as by East West Designs can be seen on the website. The designs include tallboys, lowboys, and slimboys from which to choose. A collection chest might be the ideal design for placing in the bedroom or as a chest in the dining room. Sorenmobler is proud to carry the "Made in New Zealand" label. The experts from the firm offer tips and care suggestions to ensure that products retain their high-quality appearance for many years.

Cavalier Bremworth is one of the top recognized carpet manufacturers in the country. Its Enduro line is made of man-made, fibre-solution dyed nylon. The product is manufactured to be highly resistant to stains and durable. It is noted for its ability to maintain a high-level appearance for many years. The product is available in three different weights in order to offer homeowners the best in durability, comfort, and luxury.

Other furniture pieces which can be selected in order to create a more unified and stylish look to the home include cabinets & buffets. Sideboard designs by Montigny, Halo Stonyhurst, and Evo Furniture come in a range of sizes and styles. Ethnicraft and Collage offer some unique and forward-thinking designs for those customers looking for something different as a focus item, the company says. The shapes and sizes are suitable for any homeowner who has a specific need. Whether the purpose is to store magazines or electronics, the cabinets and chests are attractive and functional.
