A 48-piece colored pencil set, manufactured by Star Infiniti, is now available on giant shopping portal, Amazon. The 48 piece Colored Pencil Pack comes in a reusable carry case for easy carrying and storage.

Star Infiniti's newest coloring set comes in a brilliant blend of 48 vibrantly pre-sharpened pencils. The new colored pencil is great for color mixing, shading and blending that will surely be an ideal tool for a child to explore his/her creative side, the company says.

The Star Infiniti 48 piece colored pencil pack not only comes with a reusable carry case for easy storage but it also comes with a free doodle pad and e-coloring book. The 60 page doodle pad and e-coloring book allows a child to immerse in arts.

?These pencils are of great quality and durable. The colors are bright and the pencils write very smooth and with ease. So many colors to choose from so makes coloring even fun. My niece loves them and she hasn't even broken one showing the durability of the pencil. I would definitely order again,? said Lisa Marchlewski in her verified review.

Colored pencils are hot items right now. With Star Infiniti being a premium, trusted brand, the company has manufactured a durable and quality colored pencil. This has allowed the company to reach out to people who are finding quality products that are affordable.

The launch of the new 48 piece Colored Pencil Pack on Amazon has been very successful due to its quality and reasonable price.
