Booms Beat, a popular social news site recently posted an article about the best ceramic kitchen knives set that is for sale in 2016. The article, titled "Top Best 5 Kitchen Knives Ceramic For Sale 2016" was published on October 10. Star Infiniti's Ceramic Knife Set topped the list beating others for the number 1 spot.

The article featured 5 of the best ceramic kitchen knives available in the market. The author of the article not only featured the best kitchen knives but also rated them accordingly. Star Infiniti's Ceramic Knife Set was given a rating of 9.6 by the Editor tying with another knife at number 1.

Described as one of the best ceramic knife sets in the market today, Star Infiniti's Ceramic Knife Set has won consumers since being launched on Amazon.com. Not only has it been featured on blogs and online publications, it has consistently received strong reviews from users.

"I absolutely love these knives. I love that my hand won't get cut in the drawer because there is a blade

cover. I also love that these knives cut through anything! I used them to cut potatoes - and had zero issues. Onions - no issues. Salmon - no issues. And it didn't rip my fish apart the way my other knife does," said Lorianne in a verified Amazon review.

A number of other shoppers have expressed similar sentiments about the product being sharp and safe to use. Shoppers in the United States have also commented that the knife is so sharp that it can cut up anything.

Star Infiniti's Ceramic Knife Set not only comes in 3 different colors and sizes but also comes along with blade covers plus bonus cutting board grips. Being available in 3 different colors and sizes, users can choose which one to use when slicing vegetables, meat or anything they choose. Boom Beats features a variety of social news from the funniest, cutest and the most inspirational content from around the web.

The Star Infiniti's Ceramic Knife Set is currently available to shoppers on Amazon.com.
