Authority Institute? Launches Training-Intensive Website

Training Center for Business Experts Now Open for Business

Rockledge, FL, May 18, 2015. - Bob Yeager, Managing Director of Authority Institute?, announced today the launch of the company website: http://AuthorityInstitute.com/. This site is for experts who want to become authorities in their fields by speaking on stage, self-publishing their books, and creating their own products. Authority Institute? is a subsidiary company of Harbor City Capital Management.

Authority Institute? is positioned to fast become the leader in business authority development for business owners who have made vast accomplishments and have achieved high-level skillsets in their fields. Yeager said, ?We created this organization to help those experts in industry to step into a leadership role and increase their business reach.?

The team at Authority Institute? is comprised of business strategists, speakers, publishers, authors, or coaches with a combined total of more than 100 years of educational implementation and developmental experience.

Dean Hankey, author of The Money Making Magic Marketing Blueprint For Success!, said this about Authority Institute. ?Finally . . . A breath of fresh air. Honestly, if you want to learn from real been-there-done-that experts, then Authority Institute is the right place and the right people.?

Authority Institute? provides resources for anyone who has the desire to become the go-to authority in their niche. ?Business experts have been working a very long time to prove themselves, gain more credibility, and make all of us more responsible in business with our customers,? said Yeager. ?This allows our industry of business development to take the next steps toward making authority available to all the deserving experts out there.?
