November 8, 2016; Boynton Beach, FL: Ann Sullivan, a preeminent recipe writer within the culinary community and a reputable star of the international cuisine industry, eagerly announces the release of her latest recipe book effort titled *Delicious Quick & Easy Chicken Salad Recipes*. Ann, through her self-titled company *Ann-Sullivan.com*, has attempted to embrace environmentally enhancing opportunities with each of the books she publishes. In keeping with this highly valued company policy, *Delicious Quick & Easy Chicken Salad Recipes* is currently available on Amazon through the Kindle store and Createspace.

"I recently published an *Orange Chicken* recipe book," explains Ann Sullivan, author of several recipe and essential oils books. "Shortly after offering that recipe book on Amazon I began receiving multiple email requests for chicken salad recipes. Chicken salad is a standard staple for my family during lunchtime. It is very simple and easy to make, and with a wide variety of possibilities, it isn't something you will grow tired of trying any time soon. My family enjoys chicken salad so much it seems we have a container of it in the refrigerator at all times."

Digitally published with flip book style formatting, and originally offered directly through the Amazon Kindle store, *Delicious Quick & Easy Chicken Salad Recipes* will now also be available through Amazon's Createspace company. Ann Sullivan has taken all the necessary steps to ensure returning clients and new customers can obtain this material by providing several opportunities in variety of formats.

"I remember my mother making chicken salad sandwiches for my father's lunch pail all the time," states Sullivan. "When we were kids living on the farm, we raised chickens. Back then, nothing went to waste, all the leftover chicken got shredded by hand and added to a chicken salad recipe. As I got older I began looking for ways to liven up those old chicken salad recipes, and the ones I share in this book are favorites that I have gathered over the years. If you like chicken, and chicken salad, then I am confident you will enjoy many of the entries I have assembled here."

Ann Sullivan, a respected recipe writer and rising star of the culinary community, strives to provide the latest and greatest recipe ideas to ever come out of a kitchen. Ann Sullivan, featured author and CEO, intends to incorporate as many different cuisines, delicacies, and desserts as possible, to encompass people from all walks of life.
