

# US Recipe Writer Ann Sullivan Releases New Book: Unexpected Easy and Delicious Apple Recipes

*November 08, 2016*

November 08, 2016 - PRESSADVANTAGE -

November 8, 2016; Boynton Beach, FL: Ann Sullivan, a reputable member of the international cuisine industry and a respected recipe writer in the culinary community, eagerly announces the release of her latest recipe book effort titled *Unexpected Easy and Delicious Apple Recipes*. Ann, and her self-titled company Ann-Sullivan.com, respectfully embrace opportunities designed to enhance the environment whenever they present themselves. In keeping with this highly valued mission statement, *Unexpected Easy and Delicious Apple Recipes* is presently available through Amazon on both the Kindle store and Createspace.

"The fall season coincides with harvesting apples," explains Ann Sullivan, author of several recipe and essential oils books. "Apples are a favorite fruit during the fall season. Grocery store shelves are suddenly overflowing with apples, and apple based products such as cider and pies. Fortunately, we live out in the country and several of our neighbors have orchards on their property. Whenever I want to experiment with a new apple recipe, I wait until fall and get my fruit fresh off the tree. If you have that option, I strongly recommend using it."

Digitally published, rendered with flip book style formatting, and originally only offered through the Kindle store on Amazon, *Unexpected Easy and Delicious Apple Recipes* has now been made available through Amazon's Createspace company. Ann Sullivan has taken all the steps necessary to ensure the availability of this material for her returning clients as well as new customers, by providing multiple opportunities for them to obtain this educational information they desire, using the method they prefer the most.

"Apples are a seasonal favorite here on the homestead," states Sullivan. "We are fortunate enough to grow most of our own food, so we are able to barter for the apples required to make the recipes I have scheduled for the holidays. Some apples do work better in baking recipes than others, so I would advise new culinary consumers to exercise caution when choosing which apples to use in these recipes. Aside from that, I am confident that all recipe readers will be successful in the endeavors to create scrumptious apple desserts and treats."

Ann Sullivan, a respected recipe writer and rising star of the culinary community, strives to provide the latest and greatest recipe ideas to ever come out of a kitchen. Ann Sullivan, featured author and CEO, intends to incorporate as many different cuisines, delicacies, and desserts as possible, to encompass people from all walks of life.
