

Remove Urine LTD?s Cat Urine Remover Is Quickly Moving Up The Ranks on Amazon.com

November 09, 2016

November 09, 2016 -

Remove Urine LTD?s Severe Urine Neutralizer is really making its mark on Amazon.com as it quickly moves up in the ranks in the Amazon.com search engine. This urine odor remover moved from ranking in the Pet Supplies, Odor & Stain Remover at 16 to a ranking of 8 in as little as two days. In addition, this urine odor remover has also moved up in ranking for several keywords such as ?cat urine remover?, previously ranked at 16 and now ranked 7. Another keyword that has improved the product ranking is ?remove dog urine? which went from a ranking of 7 to know ranking number 1.

Improving one's rank within Amazon can be a very difficult task, and can take a long time, especially in a competitive niche. Although this can be difficult, it is not surprising this cat urine remover by Remove Urine LTD has accomplished this feat due to the fact that it is a high quality product and very much in demand for pet owners. It also continues to get great reviews from satisfied customers.

Amazon.com has a unique ranking system that uses a variety of different factors to create the rankings of

their products. These factors includes the amount of sales, the seller performance as well as product reviews. Amazon then gathers all of those factors into consideration and then determines the ranking of the products. This unique ranking system is one reason customers continue to shop on Amazon because it helps customers make better buying decisions .

?Removing pet stains, specifically removing dog urine or finding a cat urine remover that actually works and doesn?t smell terrible, is something that almost every pet owner has to deal with. We wanted to make sure we created the best solution out there that not only works great, but is economical for the pet owner. We are thrilled that we have so many satisfied customers,? says Leo, a company representative.

Based on user reviews, Remove Urine LTD has a 4.4 out of 5 star rating.

?We have a new puppy that's not quite finished with training. This stuff works great and I've tried them all!? Said Cathy H., a happy customer.
