Houston Lawyer Voted Premier Choice For DWI Attorney

November 22, 2016

November 22, 2016 -
Jim Butler, a Houston DWI lawyer, has been voted the premier choice for DUI/DWI attorneys in the area in a recent community poll. This is due to the fact that he is one of the few lawyers who specialize in these types of cases. Most other law practices in Houston, practice DUI/DWI as just a part of their overall practice. Attorney Jim Butler is grateful for having been recognized for his skills and expertise.

The Jim Butler law firm has also set itself apart by providing fantastic customer service. All of their clients have 24/7 direct access to the lawyer. There are only a few attorneys who speak directly with their clients, and it is unheard of for people to have constant access to them. Lastly, the law firm believes in offering prices that people can actually afford. A representative from the law firm says: "Pricing is very competitive and payment plans are available for all clients, so that Jim can help as many people as possible."

DUI law is a complex part of law, particularly because there is a major crackdown in the Houston area to reduce the number of people who are caught driving under the influence. This is understandable, as it continues to be one of the major causes of road traffic accidents, particularly those with fatal results. Jim Butler himself is committed to ensuring these statistics improve. At the same time, however, he feels that

some people are now wrongfully accused in an effort to improve statistics.

The positive reviews of the DUI defense attorney speak for themselves. Various people have noted how their cases have been dismissed, or how they have been found not guilty with the help of the law firm. They all cite how pleased they are with the level of customer service they have received, and the fact that they can speak directly to Jim Butler at any time during the day is a commonly appreciated. Few have been surprised at the fact that Jim Butler is now the premier DUI/DWI attorney in the Houston area, and people are encouraged to contact him as soon as possible to have their own legal issues discussed.
