November 16, 2016 - PRESSADVANTAGE -

With the incoming Holiday Season, Star Infiniti, maker of the best Ceramic Knife Set in the marketplace releases a promotion for its customers. The promotion will run from today until the 31st December 2016. Customers who purchase the Ceramic Knife Set will get 10% off the current sale price.

Star Infiniti's 3 Piece Ceramic Knife Set comes in 3 different colors and sizes with blade covers for safety (green, red, orange). But there is more, the company says. If customers purchase the Ceramic Knife Set they will also get two bonus packs of cutting board grips to eliminate slipping and sliding of the board. It will be a great gift idea for foodies and for those who love to cook all year round, especially during the Holiday season, says a spokesperson for the company.

"These knives are very sharp and cut through everything. I liked them so much that I purchased a second set to give as a gift," states Miss Elizabeth, one of the verified Amazon reviews of the knife set.

The spokesperson also said that Star Infiniti's Ceramic Knife Set indeed sets the bar higher than all other ceramic knives available in the marketplace. The ultra sharp ceramic blades cuts everything from fruits to vegetables and meats. It maintains the sharpness of the blades longer than the stainless steel blades. Since blades do not absorb food elements, it allows for quick rinsing and easy cleanup.

To take advantage of the promotion, once customers reach the checkout at amazon.com they apply this coupon: QCZCHTUS. This will give them 10% off the current price of the Ceramic Knife Set. The promotion will run from today until 31st of December 2016.

The Star Infiniti's Ceramic Knife Set is currently available to shoppers on Amazon.com.
